

AG MANAGEMENT SOLUTIONS!

**Does your operation demand
Sub-Inch Accuracy?**

Hear about the benefits of RTK from one of its users!

Mark is pictured with his Jeep Rubicon, outfitted with a StarFire 3000 Receiver and 2630 Display, which he uses to create field boundaries. For over ten years, Mark has been utilizing precision technology in every season of his farming operation.

Mark sees great benefits in the added accuracy of RTK:

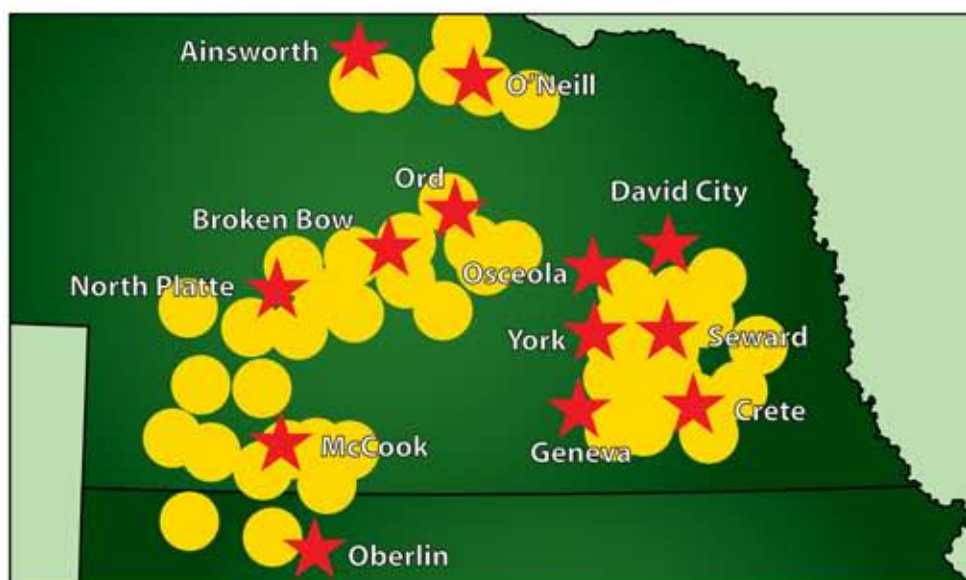

- Repeatability
- Rapid signal acquisition
- Improved accuracy when spraying
- Virtually eliminate skips and overlap
- Being "hands free" allows more time to concentrate on the implement & other key operations

"Pull into the field in any season, and you know you're where you belong."

- Mark Slagle, RTK Customer, Sargent, NE

Overview of RTK Program at PEG:

- Annual subscription agreement
- Priced per receiver, per calendar year basis
- Multi unit user discounts are available
- Contact your Sales or AMS Team Member for details
